**DOMAINE D'ARGENSON**

Cuvée from our plots located “around my father’s house”. Its name, a Latin nod to the centurion Brulius, is also a tribute to our elders.

To the eye: garnet color, with purplish reflections  
On the nose: Scents of black fruits, pepper, and floral (violet).

In the mouth: Fresh and invigorating attack and classy, cherry on the palate; sustained finish with a beautiful tannic structure.
